Guidelines for Poster Presentation at epiSTEME11

Poster Location and Presentation

- The presenting author of the poster **needs to be registered** for the conference.
- Posters will be displayed in the foyer of the HBCSE Main Building, the conference venue.
- A card displaying the corresponding paper ID will be placed on each display panel to indicate the location assigned to your poster.
- Posters may be mounted on the display panels from Day 1 onwards but must be in place **by 10:00 p.m. on 6 January 2026.**
- Posters must be taken down and taken away by the presenters **by 3:00 p.m. on 9 January 2026.**
- A common table with basic stationery will be made available at the venue.
- Presenters are expected to be available at their assigned posters for the entire duration of the poster session. During this time, conference participants will visit the poster area to view the posters and interact with the presenters.

Size and Mounting

- Free-standing display panels will be provided for mounting the posters. Each panel is approximately 3 ft wide and 4 ft high (see Image 1).
- Posters can be mounted (see Image 2) on these panels using pins and thumbtacks, which will be provided at the venue.

Poster Dimensions

- Posters must be designed in A0 size (portrait orientation). Note that A0 is the maximum size and that posters should not exceed it.
- Please ensure that the designated conference header (provided below) is included in your poster design (see Image 2).
- For printing specifications, we recommend using paper with a thickness of 100–250 GSM and a matte finish.
- Download the designated epiSTEME11 conference header for your poster from the links below.

Suggested Sections and Content

You are welcome to adopt creative and unconventional approaches to poster design. However, we encourage you to include the following essential information:

Title: The title of the poster should be clearly displayed at the top.

Authors and Affiliations: Include the names of all authors, their institutional affiliations, country, and email addresses.

Suggested Font Sizes: The following font sizes are recommended to ensure readability:

Element	**Suggested Font Size**
Title	70–100 pt
Authors and Affiliations	40–50 pt
Section Headings	50–70 pt
Main Text	30–35 pt
Acknowledgements and References	20 pt

Images and figures may be included at a resolution of 600 dpi. Please note that these font sizes and image resolutions are indicative. You may adjust them depending on your poster's layout and design, while ensuring that all text remains clearly legible.
